

## DLC Training Monthly Newsletter

Welcome to your October newsletter, this month our featured resource outlines the best practices for effective email management and our latest blog posts highlight what accountancy firms look for in non-graduate hires and how our Course Advisory Team can help your career...

### DLC Training Explains: Effective Email Management

There are 361.6 billion emails sent and received every single day worldwide. As the emails continue to mount, the thought of getting through them all in a reasonable timeframe becomes unrealistic, leaving you with a large pile of unanswered emails that continue to grow. Our latest guide outlines the best practices for effective email management...
